- **Standard Grade Formulas:** We offer a range of standard grade formulas to meet your basic needs. Bottle size, shape, color, and/or style.
- **Higher Grade Options:** Looking for something more specialized? We can create custom Blends to match your exact requirements. For Humans or Pets. Choose between gelatin or cellulose capsules in various colors.
- **Additional Services Available:** Basic CoAs or extensive CoAs like NSF. Special lab testing can be arranged – just let us know your needs.
- **Tailored Nutrition Supplement Panels:** We don't provide standard panels, but we'll work with you to develop panels as your project progresses.
- **Your Dose and Directions:** You handle the dosage and usage instructions. You can also adjust the capsules per bottle.
- **Production Note:** Made in a facility that processes known allergens. Always check the specific product for allergens.
- **Responsibility Disclaimer:** These are your active ingredient claims, label designs, and copyrights, trademark claims.
- **Competitive Pricing:** Our prices include the container, product, filling, label & labeling, lot code, and expiration date. You can supply your own label if desired. Prices and specifications subject to change. Typical terms are 50% with order and 30 days net OAC.
