Produce Wash

**Safely Clean
Fruit & Vegetables**

8 fl.oz. (237 ml)

PRODUCE WASH
**All Natural... No Sulfates...No
Phosphates...No Parabens**

Have you ever wondered if your produce is getting clean enough with just water? Do you know how clean the field workers hands were that handled the produce you are about to eat?

Everyday there are news reports about disease outbreaks from people eating bacteria-infested produce.

Fresh Protect Produce Wash cleans dirt and germs that often thrive on the surface of fruit and vegetables. It removes 98% of the wax and chemicals.

Have confidence once again that the food you feed to your family is safe.

Spray, Scrub, Rinse, Enjoy

Purified Water, Cocamidopropyl Betaine, Grapefruit Seed Extract, Glycerin, Polysorbate 20, Apple Cider Vinegar Enzymes, Citric Acid Potassium Sorbate, Sodium Benzoate, Sodium Bicarbonate, Sodium Citrate
