Private Label Pet Care Products Ready To Go

Omega Tech Labs can supply the following products as samples as well as suggest a variety of container options. Please note that not all samples are readily available and may take a few weeks to acquire. Any suggestions and or changes can be considered to meet your marketing needs. Minimums usually start at 1000 units per item. Regulatory compliance needs to be addressed.

PAW PASTES: Thick pastes that can be applied either to the top of the paw, to the inside rim of a food dish, or given directly from the container. Designed to be tasty enough that the animal eats willingly. All paw pastes are free of petroleum jelly, artificial colors, and artificial flavors.

Feline Multi-Vitamin Paw Paste: A nutritional supplement paste containing a blend of vitamins, minerals and antioxidants to promote overall health.

Feline Urinary Tract Paw Paste: A nutritional supplement paste specifically designed to maintain normal urinary tract function in cats.

Feline Hairball Paw Paste: A nutritional supplement paste with natural lubricants and oils to reduce the occurrence of hairballs in cats.

Feline Pet Calming Paw Paste: A nutritional supplement paste with herbs and essential oils which can help calm stress and anxiety in cats.

Feline Hip & Joint Paw Paste: A nutritional supplement paste with glucosamine, MSM, chondroitin, and antioxidants to support healthy joints.

Canine Senior-Vitamin Paw Paste: A nutritional supplement paste with a balanced blend of vitamins, minerals and antioxidants to maximize health in dogs 7 years and older.

Canine Adult-Vitamin Supplement Paw Paste: A nutritional supplement paste with a balanced blend of vitamins, minerals and antioxidants to maximize health.

Canine Puppy-Vitamin Supplement Paw Paste: A nutritional supplement paste with vitamins and minerals to help puppies grow into healthy adult dogs.

Canine Pet-Calming Paw Paste: A nutritional supplement paste with herbs and essential oils which can help calm stress and anxiety in dogs.

Canine Dental Care Paste: A paste designed to promote dental health and prevent tartar and tooth decay in dogs. Works best when applied inside the holes of a chew toy.

Other Pet Products: Omega formulates and manufactures a variety of pet products including to but not limited to the following.

Canine/Feline Triple Healing Cream: A cream which combines three germ-fighting ingredients (benzalkonium chloride, benzocaine, and salicylic acid) with aloe, glycerin, vitamin E and herbs to moisturize and promote healing of minor cuts and abrasions; also can be used to protect foot pads.

Canine/Feline Healing Balm: similar to above; contains a highly effective germ-killing ingredient and is great for minor abrasions and protecting foot pads.

Canine/Feline Wound Treatment Spray: A topical spray containing benzalkonium chloride that helps prevent infection and promotes healing of superficial skin irritations. Effective against bacteria, ringworm, protozoa and some viruses, this spray also soothes skin with aloe and vitamin E.

Canine/Feline Wound Treatment Lotion: Same properties as above; lotion-type formula with benzalkonium chloride.

Canine Hip & Joint Care Liquid: A supplement liquid that supports healthy joint function by combining glucosamine, MSM, chondroitin, hyaluronic acid, vitamins, and more.

Canine Shed Reducer: A supplement liquid that helps minimize shedding and encourage coat and skin health with a special blend of essential fatty acids and zinc for added shedding control.

Canine Ear Drying Cream: Designed to keep ears dry and clean, particularly after bathing or for dogs with floppy ears.

Canine Ear Cleaner liquid: Cleansing and deodorizing agents that easily helps remove wax, dirt and other matter from the ear canals of dogs.

Canine Eye Rinse Liquid: A sterile solution that gently cleanses the eyes and helps relieve irritation and discomfort.

Canine Pad Wax: A protective wax which can be rubbed on dog's pads to protect from hot pavement, sand, asphalt, gravel, ice, snow, and road chemicals, and to guard from abrasions and cracked pads.

Canine Calming Liquid: A liquid dietary supplement containing a blend of herbs that helps calm dogs during times of stress, separation, travel, and changes in routine.

Canine/Feline Calming Spray: A blend of essential oils with a soothing scent that can be sprayed into the air in pet's favorite areas to help them relax. For times of elevated stress or on a daily basis. Can also help discourage problem behaviors such as urinating on or scratching furniture.

Scratch & Chew Deterrent: A spray containing a bitter agent to keep dogs/cats from chewing and scratching on furniture, shoes, walls, curtains.

Pet Stain and Odor Eliminator with Enzymes: Enzymes break down difficult food and pet stains such as coffee, tea, rust, spaghetti sauce and juice. It safely cleans and deodorizes carpets, upholstery and fabrics.

Insect Repellent: All Natural. Effectively and naturally repels insects and meets EPA guidelines.

All Purpose Pet Shampoo: All Natural

2 in 1 Conditioning Pet Shampoo: All Natural

Tearless Pet Shampoo: All Natural

Flea & Tick Pet Shampoo: All Natural and meets EPA guidelines
